Enjoy rare, heirloom and traditional produce fresh from our fields this summer! Join Green Spark's CSA!

Here's How Our CSA Works:

■ Members receive dollar-for-dollar credit redeemable all summer at our farm stand at 316 Fowler Rd., Cape Elizabeth or our market stand at the Portland Farmers' Market on Wednesdays and Saturdays.

■ Farm Stand members redeem their credit shopping at our 'help yourself' farm stand, 316 Fowler Rd., Cape Elizabeth, open 7 days a week 8AM-8PM, June – October 1st. And at our annual Plant Sales at our farm on Saturdays in May.

■ Market Share members redeem their credit at our market stand at the Portland Farmers' Market on Wednesdays 7am-1pm and Saturdays 7 am-1 pm, May 1st – October 1st.

Our Members Enjoy:

- A seasonal email newsletter about our farm with recipes and gardening ideas.
- Vegetable, herb and flower seedlings for your garden are available for CSA credit. • Spectacular organic produce, both common crops like sweet carrots, salad mix, and cucumbers and heirloom tomatoes of all kinds, and rare crops like melons, and Italian peppers.
- Learning how to eat well and in season from our Cape Elizabeth farm.

Members agree to redeem all credit by October 1st each year. Unredeemed credit will not rollover. Please keep in mind CSA signups between January and April make the most difference to our farm when the farm's expenses are the highest.

Improvements for the 2016 Season:

Our CSA now offers a dollar for dollar exchange with a shorter season from June 1st to October 1st to encourage members to use shares when the farm is producing the most vegetables. Unused CSA credit is non-refundable and will expire October 1st each year.

Members will shop at one location (not both): either the farm stand in Cape Elizabeth or our booth at the Portland Farmers' Market on Wednesdays and Saturdays.

Farm Stand members will be responsible for maintaining all of their own accounting and balance of their credit on their CSA form kept in the Stand's CSA box.

Market Share members will be responsible for keeping their CSA electronic balance card (a CSA swipe card). Lost or stolen cards can not be replaced or refunded.

Please reserve the top portion of this form for your records, and mail the application along with your share investment, in a stamped envelope to:
