

Green Spark Farm Crop List www.greensparkfarm.com

Arugula

Beans: Green, French haricot vert, yellow, and purple, extra long tender pole beans

Beets: Red, golden, and rainbow

Bok Choi: Tat soi, and other Japanese mustards and Asian greens

Broccoli: Mini broccoli shoots all season, many varieties and Gailon

Cabbage: Miniature red, green and savoy and Chinese/Napa

Carrots: We are not currently growing carrots due to deer pressure, but we occasionally buy in Certified Organic carrots from our friends.

Chard: Rainbow

Cucumbers: Seedless snackers, wild gherkins and European gherkins, lemon cukes & more

Eggplant: Italian traditional, fuchsia Indian, Oriental

Fennel: For summer harvest

Flowers: Sunflowers, occasional mixed farm flower bouquets

Herbs: basil, dill, parsley, cilantro, marjoram, mints, chives, and thyme, cutting celery, etc.

Kale: Mixed varieties, Curly, Italian Lacinato "Dino", Russian leafy types

Lettuce: Many colors and varieties – always sweet and never bitter!

Melons: French Charantais cantaloupes, American cantaloupes a.k.a. muskmelons, green-fleshed Galias and mini Ananas melons.

Mustard Greens: Mixed colors and varieties for stir-fries and slaws

Onions: Yellow, red, sweet white, scallions, shallots

Peppers: Sweet golden & red Italian, Jalapeno, Paprika, Anaheim, Poblano, Shishito, sweet red yellow and orange bells, purple bells

Potatoes: Early reds, red fleshed, Yukon Gold types, mashers and more!

Pumpkins: for pies, soups, roasting, pastries and baked treats

Radishes: best with butter or mayo or on tacos, also winter and "watermelon" radishes

Rutabaga For winter meals

Salad Mix: With edible flowers, changes seasonally: spicy or sweet and mild mixes

Spinach

Summer squash: Zucchini, yellow squash

Tomatillos: Green traditional, and sweet pineapple-flavored golden "husk" cherries

Tomatoes: Pink, yellow, orange, red, and striped - both heirlooms and hybrids, varieties for sauce and red cherries and 'Sun Gold' cherry tomatoes

Turnips: Spring white Hakurei salad turnips, purple top, and scarlet for fall and winter

Watermelons: Small and huge, heirloom and new introductions of yellow and pink-fleshed varieties

Winter Squash: Modern classics and heirlooms, acorns, buttercup, butternut, delicata, dumpling, kabocha and many colorful culinary delights!
